

Fatima Tricha Payan Large Family Child Care Home (“LFCCH”)

Book Lending Policy

It is always a great joy your child’s reading.

As soon as your child is ready, we will provide books to share at home. These books are always part of a set and target specific skills. Losing or damaging one book will translate in the loss of the whole set and **will have to be replaced by you.**

It is important that a time and place be assigned for reading to create good habits from the start. Some places encourage spills and other accidents on books and should be avoided, i.e. kitchen tables at cooking time, dining tables at dinner time...

We always emphasize that books must be respected and returned in the condition they have been borrowed. If not, please replace them.

If a book is damaged, parents will be asked to replace the set unless the book can be purchased separately.

I _____, legal guardian of _____
